Gf Mis 806 of 1914-15

✓ The following note is put up as required by the Financial Secretary -.

The point in this connection is that the number of Asst Surgeons is already too high for our requirements. For example it is hardly necessary to attach Asst Surgeons for duty in the hospitals at Shimoga, Chickmagalur &c and in the Dispensaries at Srirangapatnam, Mudgere, Nanjangud Sakleshpur &c. These may form, along with some others, Sub Asst Surgeon's charges. MS 1/12

The policy in the Medical Department should be to get more Sub Asst Surgeons for the charge of the smaller dispensaries and not to ~~Get~~ Entertain highly ~~paid~~ paid Medical Graduates & post them to such charges - The highly paid Medical Graduates should be reserved only for the more important hospitals at Bangalore and Mysore and the other District Head Quarters and it is not desirable to post them in ~~at~~ the too small dispensaries.

I agree
MS
1/12

3 as there are two Vacancies among Assistant Surgeons, there is no financial objection to two new appointments being made - The persons appointed need not be styled 'Supernumeraries' when they are entertained against regular vacancies in the sanctioned 'cadre'. Until Mr Mascarenhas & Karve are made 'permanent' in their appointments in the Health Department, the two new appointments against them should be 'Sub pro tem' -. This of course implies that the appointments of Messrs M & K. should also be styled at least Offg.

Mr Mascarenhas
Mr Sub Asst Surgeon
Mr Karve Asst
- 1/12 in Special
- Jr Grade

NOTE-Contn. sheet.

GPB—95,000—2-14-14

Serial No.

Considering the qualifications of the candidates the pay proposed for them cannot be regarded as too high - But as Asst Surgeons are now in a 'time scale' any appointment made at a pay higher than the minimum ~~is~~ will add to the estimated Expr of the 'time scale' it is from a strictly financial point of view not sound.

4 In his letter of 28th June 1913, the last paper in the file Mr Srinivasa Murti says that he is not 'particularly desirous of entering the medical line'. It is for consideration if ~~we should be~~ particularly such a candidate is particularly desirable for the Medical Department -

625 Desai) 30/11/14

5 Roughly speaking, highly paid medical men are for cities & towns; Sub Asst Surgeons are for villages. We want more men of the latter class because we want to bring medical relief within the reach of the poor & helpless villagers especially in the mofussil. Cities & towns are well provided for already - the number of Asst Surgeons is already high considering the number of hospitals & dispensaries & the total strength of the medical cadre. To increase still further this top heaviness of the medical service by the appt of more

D. O. No.

Comptroller's Office,

Bangalore, the 26th November, 1914

Dear Mr.D'Souza,

Your D.O. of this date in re vacancies in the Grade of Assistant Surgeons and in the Sanitary Department.

-----0-----

The sanctioned number of Assistant Surgeons is 29 and there were 30 Assistant Surgeons prior to the resignation of Mr. K.R. Krishnasamy Iyengar. Two of them are doing duty in the Sanitary Department; viz., (i) Mr.Mascarenhas as sub-pro-tem Health Officer, Kolar Gold Fields and (ii) Mr. Karve as Acting District Sanitary Officer. As these Officers are holding sanctioned appointments in the Sanitary Department, Temporary appointments in their place are admissible. There was therefore one temporary vacancy in the cadre of Assistant Surgeons prior to Mr. Krishnasamy Iyengar's resignation. Mr. K.R. Krishnasamy Iyengar's resignation has caused an additional temporary vacancy.

In the case of following Officers temporary appointments

(6

appointments in their place are inadmissible as they do not hold separate sanctioned appointments:-

(1) Mr. A. Seshagiri Rao, Sivasamudram.

(2) " F. Noronha, Vaccine Institute.

(3) " C. Kuppusamy Pillay, Cauvery Reservoir Works.

(4) " N.S. Nanjundiah, Hole-Narsipur-State-Railway.

As there are no distinct sanctioned charges for the Officers comprising the cadre of Assistant Surgeons, these cases are treated as ordinary postings or transfers.

As regards the Sanitary Department, the sanctioned number of appointments is 3 Health Officers and 8 District Sanitary Officers, against which there are at present 4 Officers of the grade of Health Officers and 4 District Sanitary Officers. (Vide pages 129 & 130 of the Civil List.)

Yours sincerely,

J. Nallappa Chetty

To

P.G. D'Souza Esqr., B.A., B.L.,

Deputy Secretary to Government

Bangalore.

11 DRAFT FINAL NOTE.

According to the existing cadre there are two temporary vacancies of Assistant Surgeons due to the appointment of -

(i) Mr. J.V. Mascarenhas as sub pro tem Health Officer, Kolar Gold Fields, and

(ii) Mr. Karve originally acting as District Sanitary Officer vice Mr. Palpu on leave and subsequently on other duty and deputation to foreign service and now doing duty as Special Sanitary Officer, Malnad Improvement Scheme.

2. Mr. K.R. Krishnaswamiengar, M.B. CH.B., D.P.H., who was doing the duties of Assistant Chemical Examiner and Bacteriologist has also resigned but the Comptroller is of opinion that his place cannot be filled up

as he was supernumerary.

3. There are at present applications from three eligible recruits whom it is desirable to take into the service. These are:-

(1) Mr. B.K. Narayana Rao,B.A., M.B. & C.M., (Mad.) M.R.C.S.(Eng.) L.R.C.P. (Lond.) D.P.H.(Lond.) & D.O. (Oxon).

(2) Mrs. Mathura Bai Uchgoukar, L.M.S. (Bom), daughter of Mr. Balavanta Rao, Land-holder, Arsikere.

(3) Mr. G. Srinivasa Murti,B.A. B.L., L.M.S., and M.B.C.M.

They are all stated to be natives of Mysore. The second candidate is a Brahmin widow and the third is the son of a Representative Assembly Member and land-holder in the Hassan District.

4. The Senior Surgeon who was consulted recommends the appointment of

Mr. B.K. Narayana Rao on a salary of Rs.150 which he is unwilling to accept, of Mrs. Mathura Bai as an Assistant in the Victoria Hospital or the Maternity and of Mr. G. Srinivasa Murti as Assistant Surgeon, 6th class on Rs.100 plus Rs.50 (allowance) to be posted as Assistant to the Chemical and Bacteriological Laboratory.

5. In order to maintain the service in a high level of efficiency and to train persons for the higher administrative and other appointments in the Medical Service, it is necessary to introduce men with special qualifications and having undergone an expensive course of education, such candidates cannot be expected to start from the lowest rungs of the ladder. The question of taking the above candidates into the service was therefore considered informally at a meeting of Council on the 25th Jan. The Council were of opinion that the following appointments

(10
12

might be made -

i. Mr. B.K. Narayana Rao to be Assistant Surgeon, 3rd class, on Rs.200 per mensem on probation for one year.

ii. Mrs. Mathura Bai Uchgoukar to be Assistant Surgeon, 7th class, on Rs.100 with a personal allowance of Rs.50 per mensem on probation for one year.

iii. Mr. G. Srinivasa Murti to be Assistant Surgeon, 7th class, on probation for one year.

One of these appointments has to be taken against the vacancy caused by the resignation of Mr. K.R. Krishnaswamiengar, and the other two against the two vacancies referred to in paragraph 1.

pp 1-3 Office notes

6. The Financial Secretary who was consulted is of opinion that the number of Assistant Surgeons is already too high for our requirements that highly paid Medical men are for cities

and towns and that he is not in favour of the appointment of any Assistant Surgeons as Supernumeraries. He has no objection however to two temporary appointments being made in the existing vacancies.

7. The existing scale of Assistant Surgeons was fixed at 29 so far back as the 23rd September 1897, officers in the last three classes being however designated Sub Assistant Surgeons prior to 1911. There are several new charges now which had to be ~~provided~~ created under for to keep pace with the extension of hospitals ~~such as~~ and the growing needs of the dept, such as

i. Assistant Chemical Examiner and Bacteriologist.

ii. Resident Medical Officer, General Hospital, Mysore.

iii. Assistant to the Government Ophthalmologist;

and these have been filled by the appointment of certain candidates who had

Flag K.

14
12

been given scholarships for undergoing training in Europe. These are-

1. * Mr. K.R. Krishnaswamiengar, (since resigned). * in 1911.
2. * Mr. Karve. * in 1911.
3. * Mr. S. Subba Rao. * in 1912.
4. * Mr. B.G. Srinivasacharya. * in 1913.

They were started as Assistant Surgeons 2nd class on Rs.250 and three of them were taken as supernumeraries.

8. Four other officers of the Medical Department are holding charges not included in the regular cadre of the Medical Department -viz.,

i. Mr. A. Seshagiri Rao, Sivasamudrum.

ii. Mr. F. Noronha, Vaccine Institute.

iii. Mr. C. Kuppusami Pillay, Cauveri Reservoir Works.

iv. Mr. N.S. Nanjundiah, Holenarsipur, State Railway.

But as there are no distinct sanctioned charges in the department it

15
~~13~~

has not been possible to make temporary additions to the cadre as could have been done in other departments.

9. Mr. B.K. Narayana Rao wants a pay of at least Rs.250 and Mrs. Mathura Bai Uchgoukar Rs.150. The services of qualified lady Doctors are in great demand and they command high salaries. Mr. G. Srinivasa Murti is over-qualified and as he is the son of a Shanbhog and land-holder, his appointment will serve as a great encouragement to people from the Districts.

10. I am therefore of opinion that the resolution of the Council referred to in paragraph 5 above may be approved with a slight modification to meet the objection of the Financial Secretary:-

Mr. B.K. Narayana Rao may be treated as supernumerary in the 3rd class of Assistant Surgeons as was done in the case of Mr. Krishnaswamineyar

Krishnaswamiengar whose place he will take and Mrs. Mathura Bai Uchgoukar and Mr. Srinivasa Murti as Assistant Surgeons, sub pro tem in the 7th class in the places of Mr. J.V. Mascarenhas and Mr. Karve respectively and allowed to count their sub pro tem service for probation as a special case pending proposals to absorb them in the regular cadre. There will be one permanent vacancy among Assistant Surgeons as soon as the post of the Health Officer, Kolar Gold Fields, which is now permanently vacant is filled and action is being separately taken. The question of revising the cadre and fixing the charges as in other Departments so as to meet the present needs of the Department without exceeding the cost now incurred, will also be taken up for consideration.

11. The Senior Surgeon suggests that Mr. Srinivasa Murti may be posted to the Bacteriological Laboratory but as he has no experience of the work, the

appointment is likely to interfere greatly with the touring to be done by Dr. Srinivasa Rao. Mr. Narayana Rao may be posted in the place of Mr. K.R. Krishnaswamiengar, Mr. Srinivasa Murti being also attached as an additional officer for training. He may eventually be put in charge of the Vaccine Institute. Mrs. Mathura Bai Uchgoukar will be posted to the Victoria Hospital or the Maternity Hospital after further consultation with the Senior Surgeon.

9.12.44.

68
16

10 *Submitted to His Highness.*

These papers relate to the question of filling up certain temporary vacancies of Assistant Surgeons in the Medical Department.

pp 7-15 of Min notes

2. The Final Note by the Extraordinary Member dated 9th December 1914, submitted herewith, explains the case fully. It is proposed, as informally agreed to by the Council, to make the following appointments to fill up the vacancies caused by the employment of Messrs. Mascarenhas and Karve on other duty and the resignation of Mr. K.R.Krishnaswami Iyengar:-

Flag A

(1) Mr.B.K.Narayana Rao,B.A.,M.B. & C.M.,M.R.C.S., L.R.C.P.,D.P.H. and D.O., to be Assistant Surgeon, third class, on Rs.200 per mensem, on probation for one year.

(2) Mrs. Madhura Bai Uchgoukar,L.M. & S., to be Assistant Surgeon, ~~seventh~~ sixth class, on Rs.100, with a personal allowance of Rs.50 per mensem, on probation for one year.

(3) Mr.G.Srinivasa Murti,B.A.,B.L.,L.M. & S., and M.B. & C.M., to be Assistant Surgeon, ~~seventh~~ sixth class, on probation for one year.

One of these appointments is proposed to be taken against the vacancy caused by the resignation of Mr. K.R.Krishnaswami Iyengar and the other two against the two vacancies referred to above.

Pages 1-3 of Office Note.

3. The Financial Secretary is of opinion that the number of Assistant Surgeons is already high and that "to increase still further this topheaviness of the Medical service by the appointment of more Assistant Surgeons as supernumeraries is not desirable". He is however agreeable to two appointments being made in the two vacancies among Assistant Surgeons.

4. The Extraordinary Member has suggested a slight

19/17

modification in paragraph 10 of the Final Note, to meet the objection of the Financial Secretary, namely, that Mr.B.K.Narayana Rao may be treated as a supernumerary in the third class of Assistant Surgeons as was done in the case of Mr.K.R.Krishnaswami Iyengar whose place he will take, and Mrs. Madhura Bai and Mr. Srinivasa Murti as Assistant Surgeons sub-protem, in the ~~seventh~~ sixth class in the place of Messrs. Mascarenhas and Karve, respectively, and allowed to count their sub-protem service for ~~probation~~ promotion, as a special case, pending proposals to absorb them in the regular cadre.

5. The Extraordinary Member has, in paragraph 5 of his Final Note, explained the reasons why it is necessary, in order to maintain the service at a high level of efficiency, to introduce into it persons with special qualifications who may be trained to fill up the higher posts. I agree with him. In this view, I think that all the three appointments may, as recommended by the Council and with the modification suggested by the Extraordinary Member, be sanctioned.

6. As proposed by the Extraordinary Member the Senior Surgeon will be asked, after issue of orders with regard to the appointments in question, to study the present needs of the Hospitals and Dispensaries in the State and send up proposals for fixing the number of officers required in each class of Surgeons, Assistant Surgeons and Sub-Assistant Surgeons, (including lady medical officers), without materially increasing the cost.

To

The Senior Surgeon,
Mysore Govt,
Bangalore

Sir,

With reference to your D.O. No 115-116 of 12/13 Jan 15, I beg to state as follows:-

Subsequent to my applying for an appointment in Mysore State Service more than a year ago. I applied to the Madras Govt also for an appointment & was first posted on special duty in connection with Plague in Anantapur District; after its termination, I was sent to Tanjore, on Rs 160 a month, as Asst Surgeon in charge of the whole male wards of the second biggest Hospital in the Presidency and also as Lecturer in Medical Jurisprudence etc in Tanjore Medical School. Within Six months, the Madras Govt thought me fit to be

entrusted with the responsible post of the head of a Presidency Hospital of about 250 bed & I was, accordingly, taken to Madras as Superintendent of the Govt Lepers Hospital, on Rs 180 a month, doing duty in addition as Asst District Surgeon, I District, Medical Officer, Cent Jail, Madras & Lecturer in Medical Jurisprudence etc in Royapuram Medical School. Recently when the Govt sanctioned the Creation of the Post of an ~~Asst~~ Professor of Biology in the Madras Medical college, the same was offered to me on Rs 200 a month, which I was glad to accept, altho' I still continue to do duty, in addition, as Supdt. Leper Hospital, Medical officer Cent Jail, Asst Dist Surgeon, I Dt, and Lecturer in Medical Jurisprudence etc in the Medical School.

Prepared as I am to make some sacrifice to get back to the Land of my birth, yet, I Venture to submit that apart from other Considerations,

(24

3

The sacrifice involved in the descent from Rs 200 a month to Rs 100 a month is fairly great, and particularly so, when it is remembered that unless the Mysore Govt is pleased to persuade the Madras Govt to lend my services, I will have to pay Rs 1000 as penalty before my resignation is accepted. Under these circumstances, I pray that you will be pleased to recommend to the Mysore Govt to offer me a position that will not involve so heavy a sacrifice.

I beg to remain,

Sir,

Your most obedient servant

G. Srinivasamurti

18/1/15

lowered with great reluctance I accept the offer, expecting that the Government will kindly consider my case in a better way on the expiration of my probationary period.

D.O. No. 2721
Sec I file.

BALLABROOIE,
HIGH GROUND,
BANGALORE
24th February 1915.

My dear Sir,

Might I invite your kind reference to my Submission Note dated 17th December 1914, in which I recommended the appointment of Mr. B.K. Narayana Rao, B.A., M.B., & C.M., M.R.C.S., (London), D.P.H., etc., as Assistant Surgeon III Class on Rs. 200/- per mensem and Mr. G. Srinivasa Murti, B.A., B.L., M.B. & C.M., as Assistant Surgeon, VI class, on Rs.100/- per mensem.

Both these appointments were declined when they were offered to them by the Senior Surgeon.

The reasons given by Mr. B.K. Narayana Rao for not accepting the offer are, that his qualifications are in no way inferior to those of the other members of the service, who on account of their European qualifications have been started as Assistant Surgeons, II Class, viz., Mr. J.V. Karve, Mr. S. Subba Rao and Mr. B.G. Srinivasacharya and that he went through his whole course of studies in Europe at his own expense. He adds that he is now in charge of a big Hospital with 50 beds and commands a good private practice.

Mr. Srinivasa Murti states that he is at present drawing Rs. 200/- a month as Assistant Professor in the Medical College, Madras, and that he has to pay a penalty of Rs.1000/- if he were to resign the Madras service. He therefore requests that he may be given here the same emoluments as he is now getting from the Madras Government.

I have already explained in my Submission Note the desirability of our not losing such deserving recruits for the service and as there seems to be much force in their contention that the terms offered to them are not sufficiently attractive, I have on further consideration thought it necessary to recommend

27 34

their cases for more liberal treatment. They have already secured good appointments under the Madras Government, but being natives of Mysore are willing to serve the State if they are given a reasonable start.

We have experienced much difficulty in finding a substitute for Mr. K.R. Krishnaswamy Iyengar who was recently permitted to resign the State service when he was taken to the Bacteriological Department of the Government of India. We shall have to wait some two or three years before we can get some equally good local men trained.

The Extraordinary Member is also inclined to show some favourable consideration to both these cases. as the Fund is specially for the purposes made herein. ~~The First Member being out on tour and~~ the Second Member being on leave, I was not able to place the matter in the usual way before Council. The question is somewhat urgent as Dr. Srinivasa Rao has been complaining that his work has been suffering greatly for want of an Assistant and the longer we delay the more difficult it will be for us to secure the services of these candidates.

Might I therefore request you to kindly place the papers before His Highness and obtain His Highness' permission to offer Mr. B.K. Narayana Rao the appointment of Assistant Surgeon, II Class on Rs.250/- per mensem and Mr. G. Srinivasa Murthi that of Assistant Surgeon, VI Class on Rs.100/- with a personal allowance of Rs.50/-, both appointments to be on probation for one year ? Mr. Srinivasa Murthi who saw me in person gave me to understand that he would accept the salary I have now suggested and from Mr. Narayana Rao's letter it seems that he would have no objection to accept an appointment if he was treated in the same way as other officers with English qualifications who have been recently appointed to the service.

My chief reason for going out of the way to recommend the appointment of these two men, is, that both of them are people of the Country who may be depended upon to take an interest in

their work. While we are giving scholarships to train men in foreign Countries, we should not lose the services of local men who have already acquired the necessary training and at their own cost.

Yours sincerely,

M. Visvesvaraya.

R.H. Campbell Esqr., I.C.S.,
Private Secretary to His Highness
the Maharaja of Mysore,
Bangalore.

× Vide Sl. 53 in the file

The Extraordinary Member understands that Mr. B.K. Narayana Rao, M.B. D.O., has made an application to the Secretary requesting that he may be posted to some Hospital and not to the Public Health Laboratory, as he has no aptitude for Laboratory work. He wishes to know what action has been taken in regard to it.

2) The Senior Surgeon and Sanitary Commissioner may be consulted as to whether the request of Mr. Narayana Rao may not be granted and he may not be posted to some Hospital, Mr. Manker continuing in the Laboratory. Mr. Narayan Rao is said to have specialized in the treatment of eye-diseases. There is no eye specialist in the General Hospital, Mysore, and it is a question whether he may not be posted to that Hospital.

Both these who come in British Service should have applied through the British Government for their position upon. As our Government are aware of the fact that they are in British Service, perhaps it might state that we should not have countenanced such breach of discipline. Perhaps if the British Govt had known of their applications, they would have dispensed with their Service language or objected to forwarding them. A similar course was adopted with regard to Danes & Germans. It would be better if the fact at least is duly intimated to the British Govt.

Nov. Feb. 1

Feb 1/2/1

The Chief Secretary to the Government of Mysore,
med 21-14-8628

Bangalore.

Sir.

May I beg leave to state as follows:-

In reply to D.O No 115-16 of the Senior Surgeon with the Govt of Mysore offering me the post of an Asst Surgeon in Mysore service on Rs 100/ a month. I wrote back to say that, for reasons stated therein, the pay offered was inadequate & that he may be pleased to recommend to the Govt to offer me higher pay. I also addressed a letter to the same effect to the Dewan Sahib in reply to which, I was directed to see him on the 28th or 29th inst; accordingly I had an interview with him on the 29th Friday, when he was pleased to ask me to address a letter at once to you, stating my reasons for asking higher pay, to enable him to settle the matter at the next Council meeting.

I now proceed as directed to lay the following facts before you, as my grounds for asking higher pay:-

Firstly. I am now drawing Rs 200/, per month as Asst Prof in medical college, Madras a descent from Rs 200 a month to Rs 100 a month involves too heavy a sacrifice, besides being liable to be construed generally as a sort of depression.

Secondly. I will have to pay a penalty of Rupees one Thousand, before my resignation is accepted by the Madras Govt

Thirdly I shall also be losing my previous service here.

Fourthly (I state the following with some hesitation & with a request that you will kindly excuse the exhibition of what may read like a piece of vanity)

Not only had I a fairly distinguished university career, having received, among others, both the Chitterfield Gold medal (for best clinical work) and the Johnstone Gold Medal (for all round proficiency & best Studentship), but I had

also the good fortune to be put by the Madras Govt in positions of trust and importance - positions till then occupied only by men, far & away my Seniors & of approved merit — as, for example, the charge of the Whole of male wards in Tanjore Hospital, the second biggest in the Presidency. The sole charge of a Presidency Hospital of nearly 250 beds as superintendent of Govt Leper Hospital, Madras, Medical officer civil jail Madras, etc; I was also teaching Medical Jurisprudence, Ophthalmology & in the Medical schools at Tanjore & Royapuram in addition to my other duties, before being elevated to the present post. I may also add that I have had a special course in Sanitary Engineering and some experience as Railway Medical officer & Special officer on Plague Duty

In conclusion, I beg to submit that, tho' I am prepared to make some sacrifice to serve in the land of my birth, yet the descent from rupees two hundred a month to Rs 100 a month, coupled with the loss of

Rupees 1000, to be paid before my resignation is accepted, and not to mention other losses such as those of previous service & future prospects, involves an amount of sacrifice & burden too heavy to bear. I, therefore, pray that the Govt of Mysore may be pleased to direct that I may be paid there at least as much as I am being paid here viz Rs 200 per mensem.

I beg to remain,

Sir,

Your most obedient Servant

Bangalore.

Enc ⊕ med 21-14-22

Sir,

With reference to your two communication regarding the offer of a post to me on Rs 200/- in your service, I beg to state that I am surprised that the Government should offer me ~~a bett~~ inferior condition to what they gave others though my career in India as well as in England, my qualification, my previous work & experience in medical and in research work - all though have been in no way whatever inferior to those of others previously employed. Moreover I wish to point out that I was not a burden to the Mysore Government for my special studies in England for which I had to incur debts which is simply impossible for me to discharge with a

low pay of Rs 200/-.

Also please permit me to mention that at present I am the Chief Medical officer of a big Hospital with 50 beds in a commercial town which fetches by practice & pay an income 2 to 3 times as much as the pay offered there. But still, if I could be of use to my own people & if I could educate our children among them I would consider it a privilege to serve H. Highness's ~~service~~ Government. But if am to be treated with an invidious distinction and to be offered (as is done now) a pay which is in my financial circumstances less than a living wage to me, I beg to say that I have no alternative than to decline your offer with thanks.

I remain
Sir
Yours obediently

D.O No. 136

Dated, Bangalore, 20th Febry. 15.

Enc: 1

Med 21-14 81:2

Dear Sir,

I enclose for the information of Government, copy of letter dated 17-2-1915 from Mr. G. Sreenivasamurthi accepting the offer made to him on the terms contained in your D.O. letter No. 6319-Med 21-14, dated 16-2-1915.

I believe the spring session of the Medical College closes at the end of March.

Yours sincerely,

Persl. Asstt.,
For Senior Surgeon (absent from the station.)

P.G. D'Souza, Esquire, B.A., B.L.,
Deputy Secretary to Government,
General and Revenue Deptts., Bangalore.

Encl to med 21-14-24

Letter dated 17th February 1915 from Mr. G.Srinivasammrti B.A., B.L., M.B.C.M., Madras, to the Senior Surgeon, M.G.

Reference- Your D.O.No.132 of 16th Febry. 15.

I beg to state I accept the offer.

2. Re. the exact time of joining duty, I regret I cannot be more definite just at present, than to say that I hope to pay off the penalty and get my resignation accepted at the latest, at the close of this session, when the Madras Government will have the whole of the summer holidays before them, to choose a successor, without, in any way, dislocating the College work.

3. May I, in the mean time, request you to let me know, if possible, the field of my work there, so that, should I now happen to be not engaged in similar or allied work here, I may profitably spend my spare intervals in a study of similar institutions here or elsewhere.

21-14.
Med 77-14-Sl.26.

Dear Sir,

In continuation of this office D.O. letter No.136 dated 20-2-15, I enclose for the information of Government copy of the reply received this day from Mr. B.K.Narayana Rau accepting the offer made to him in accordance with your D.O letter No.6319 Med 21-14 dated 16-2-15.

Yours sincerely,

To

P.G.D'Souza, Esquire, B.A.,B.L.,

Deputy Secretary to Government

General & Revenue Departments, Bangalore.

Letter dated 8-3-15, from Mr. B.K.Narayana Rau, M.B.,(M), D.P.H.,(Lond), D.O.,(Oxon), Ophthalmic and General Surgeon, Bezwada, to the Senior Surgeon with the Govt., of Mysore, Bangalore. En h no: 21-14-80.26

With reference to your D.O letters of the 16th February and 4th March I beg to state that I understand that our Government are offering me the post of an Assistant Surgeon in the Mysore Medical Department on Rs.250/- per mensem. I believe that this means that my pay, prospects & conditions will not (my work being satisfactory) be in any way inferior to those of other Assistant Surgeons of the same grade.

Believing that I have understood the offer aright I beg to thank you and the Government for their kindness.

Since now I have to resign at a time where there is shortage of hands here it is highly probable that the Madras Government would insist on my paying the penalty of Rs.1000/- for resigning without putting in 5 years service and also that it would take some weeks to relieve me. As I have to arrange for money and then have my resignation accepted, I request that the Mysore Government would allow me to join duty on the 1st of May next or thereabouts.

I request the favor of an early reply so that I may send in my papers of resignation.

Thanking you once again.

---ooOoo---

Senior Surgeon.

D.O. No 7465 M/25/3/15 — 85
Mid 21-14-28

Dear Sir,

With reference to the demi-official correspondence ending with your D.O. letter No. 150 dated the 11th March 1915, I am -- directed to request you to intimate to M--- Messrs B.K. Narayana Rao and G.Srinivasa Murthi that Government are prepared to -- appoint them as Assistant Surgeons on the terms offered to and accepted by them and to instruct them to report themselves to you for duty on the dates mentioned by them in their letters to you.

2. It is presumed that both the candidates will, before joining service in Mysore, -- take the necessary steps to obtain a proper discharge from the service of the Madras Government.

3. As regards the question of posting these officers, Government will have no objection to post both of them to the Public Health Institute if their services could be utilised there. At any rate Mr. B.K. Narayana Rao may be posted there in

86

in place of Mr. K.R. Krishnaswamy Iyengar. Your further proposals in the matter will be awaited. Meanwhile I am to suggest -- that you may, yourself kindly give them -- such instructions as may be necessary to enable them to prepare themselves for the work they may have to do in the Medical department.

Yours sincerely,

16.3.15.

To

13/3/15

Urgent 3/4/15 9N 6180

Camp Chikmagalur,
2nd April 1915

No. 21-14--29

Dear Sir,

With your D. O. No. 4765 Med. 21-14 dated the 25th ultimo. I would not at all recommend the posting of Mr. B. K. Narayana Rau to the Public Health Institute as suggested by Government. From a talk I had with him some time ago, I could gather that his propensities are distinctly towards Surgery and it would be a mistake to post him for a work uncongenial to his natural bent of mind. I would therefore post him to the Victoria Hospital where he might be usefully employed and where his aptitude for Surgery could be developed. In making this

N.B.—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

GPB—50,000—29-6-14

this recommendation I have also in view the fact that Mr Narayana Rau has had a special course of instruction in Ophthalmology, and in the Diseases of the Ear, Throat and Nose.

2. The other candidate Mr G. Srinivasamurti, who on account of his medico-legal knowledge is better fitted for the Public Health Institute than Mr Narayana Rau, may take the place of Mr K. R. Krishna Swami Iyengar.

Yours Sincerely,
D V Gundappa

P. G. D'Souza Esq. B.A., B.L.,
Dy Secretary to Government
Gen. and Rev. Departments,
Bangalore

(89

8220
M.G.Y.-14-32-24-15.

Dear Sir,

In reply to your D.O. letter of the 2nd instant, in regard to the posting of Messrs. B.K. Narayana Rao and G. Srinivasamurthi, I am desired to state that it is necessary to post an officer with European qualifications who has received training in Bacteriology and Chemical Analysis to work at the Public Health Institute. In these circumstances, as no other officers are available, the posting of Mr. Narayana Rao to the Institute cannot be avoided, if ~~his~~ its efficiency is to be maintained. I am to add that there is already a sufficient number of officers qualified to do surgical work in the Victoria Hospital.

2. Mr. Srinivasamurthi may, as already suggested, be posted to the Public Health Institute to undergo

training

training for some time.

Yours sincerely,

10.4.18.

91

Office of Senior Surgeon, Mysore Govt.,

D. O. No. 205 Cl:1.

Dated, Bangalore, 26-5- 15.

Medical 21-14-35

Dear Sir,

The enclosed letter (copy) from Mr. B.K.Narayana Rao was received in the beginning of May 1915, with reference to this office letter dated 28-4-1915 informing him of the place to which he will be posted. It was not thought necessary to forward it to Government whose orders about his posting, as communicated in the Deputy Secretary's D.O. letter No. 8220/Med.21-14 dated 21-4-15 appeared to be final. Nor was any reply sent to Mr.B.K. Narayana Rao as none was asked for by him. He now requests for orders on the letter. I therefore request you to kindly obtain the orders of Government in the matter.

I may inform you that he is expected to be relieved in June (this month.)

Yours sincerely,

Personal Asstt.,
For Senior Surgeon.

G. Sreenivasa Iyer, Esq., M.a., B.L.,
Assistant Secretary to Govt.,
Gen. and Rev. Deptts., Bangalore.

Enc. to Memo. 21-14-35

Letter dated 30th April 1915 from Mr. B.K. Narayana Rao, to the Senior Surgeon, Mysore Government.

While thanking you for your communication of the 28th Instant, I beg to say that I feel highly disappointed at not being posted for any place where surgical work could be had. It is only in surgery that I obtained honours, prizes and medal in Madras and it was chiefly for that subject that I obtained the Membership of the Royal College of Surgeons of England and further it was in the surgical subjects of Eye, Ear and Nose and throat that I worked for nearly 1¾ years and obtained the best qualifications available and spent a large sum incurring debts. Regarding Chemistry I cannot say that I had any great training worth mentioning or any practice in or aptitude for it. If the fact that I have been doing a good amount of skilled surgical work here and am having a large ophthalmic practice, be considered, you would appreciate how I feel at being practically asked to forego all my ambitions as an Ophthalmic and general Surgeon and begin life anew to train as a Chemist.

I beg to state that when Dr. M. Srinivasa Rao, Director, P.H. Institute, asked me whether I would do his assistant's work if posted and I said yes. I meant that I would do it for some time till I could be fitted into a hospital. I said the same to you personally as well as in my letter last October- namely, that if I could not be immediately given surgical or ophthalmic or general work I shall do any scientific or investigation work till such time as I would be given hospital work.

When I accepted the 2nd offer of the Government I thought the matter over and wishing to avoid any misunderstanding or future complication, clearly mentioned that I would accept the post of Assistant Surgeon "provided that the conditions, pay and prospects were in no whatever inferior to that of other Assistant Surgeons of the same grade." I respectfully submit that this includes not only pay but also the

chance

chance of doing regular professional work which is very dear to me. Moreover I have repeatedly represented that though I am not gaining in my income I would consider it a privilege to use my special knowledge for the benefit of our country-folk- a wish that can never be fulfilled if I am to be stuck up within a laboratory analysing viscera. In fact, I would miss the only thing for whose sake I wished to get into our Government.

Now that I have already applied to this Government for permission to leave it and that to my knowledge more than 20 Assistant Surgeons have applied for this place- I could not withdraw my application without making myself look contemptible and even if I did I am certain of being shifted from this station which is one of the most coveted in the Presidency where I have been able to build up a practice of Rs 500 to 600 a month.

Under the circumstances represented I request that if I am to be posted to the Public Health Institute, you will be pleased to keep me there temporarily till you could grant me medical or surgical work in any hospital in any part of the Province. Though I am ignorant, whether my posting to P.H.I. is for a long or short period. I am making this representation now only so that I may not be disappointed again. Finally, I beg to state that I shall obey orders and do any duty given and to request that you will kindly excuse my alarms about the future, since it is the thoughts of one who has a life work to stake.

The Chief Secretary,

Govt of Mysore, Bangalore.

Sir.

Re my appointment in Mysore Medical Service. I have now learnt that if the Mysore Durbar is pleased to send its offer to me, this the Madras Govt, asking them, at the same time, to send me over here permanently, they may agree to do so & excuse the usual penalty of Rs 1000, the payment of which is otherwise a condition precedent to the acceptance of my resignation. It was only very recently that the Hyderabad Durbar followed this procedure in an exactly similar case. As I am

quite prepared to take up service in Mysore, even now, by so doing, I am a loser by Rs 50 a month. I shall deem it a high favour if the Mysore Durbar is pleased to undertake the step suggested, which, if successful, may in some way, compensate the loss of Rs 50 per mensem. I, therefore pray that the Durbar be pleased to send the offer as suggested and also to consider favourably my prayer of converting the offer of Rs 100 + 50 Personal allowance to one of Rs 150, substantial pay.

I beg to remain,
Sir,
Your most obedient servant
G. Srinivasamurti
Asst Prof, Medical College,
Madras.

30.7.15 A.S. Will bring up in Council Dem 30/7 10 hrs.

I thank you very much for offering me the post of an assistant Surgeon which I have accepted. The Madras Govt. I learn have passed orders favourably on my application which was rather strongly expressed.

Recently I learnt that instead of being given Hospital work, which I reasonably expected from the communications of the Senior Surgeon – I would be given an appointment at present in the Public Health Laboratory. Needless to say that it was a sore disappointment to me as in all my letters I expressed my requests in very clear language and as the orders of the Mysore Govt would – as ordinarily understood – mean nothing else than a Hospital post to me. I have already submitted my representations to the Govt regarding this.

Please permit me to mention that it was in Surgery and allied Sciences that I specialised at great cost incurring debts, that I took the risk of a really hard social oppression (being the 1st in our or Hindu sect to travel out of India) – all with the hope that I would be medically useful to our peo

asking for is the wish after a fair amount of experience in government & Communities.

Hoping you will be pleased to give a favourable consideration

Petn. Regr. No 6297

and in that relation could attempt to do something to influence our social and economical progress. For, in my experience of past 5yrs I find that a medical man's influence can be potent.

I beg to inform you that I am no gainer in money by going to Mysore but rather the reverse. My ambition is to be of service to our people especially – if possible in the Mahrad – where, I believe, the Mysore Govt intend giving good medical & surgical help.

I am troubling you with this appeal as matters have progressed so far that I cannot with any decency and self-respect withdraw my application to this Government. I request you will kindly excuse my taking the liberty of writing to you all this, for I feel very deeply in this matter and I did not like to mention in a formal application what I have written here.

I thank you again for giving me an opportunity and I beg that you will be pleased to make the opportunity to serve my people a reality & not an apparent affair.

Please permit me finally to state that I am not impulsively asking for one kind of work I have worked at investigation, in laboratories & have successfully been in practice and what I am

No. G. 248

Encls. 1

Subject.

Reports that Mr B.N. Narayana Rao is likely to join the Mysore Service in the first week of next month.

Enc to med 21-14-5

Letter dated, Bezawada, 16th November 1915, from Mr. B.K. Narayana Rao, to the Senior Surgeon, M.G.

I beg to inform you that though I expected to be relieved of my charge here about this date and wrote to you to that effect, yet owing to certain unforeseen circumstances certain work entrusted to me by the Government for the exhibition could not be finished and the Madras Government have informed me that I would be relieved on or after the 1st December 1915. As the Surgeon General is going here early in the first week of December, I shall most probably be relieved soon after his visit. I beg to be excused for this delay in joining which was unforeseen and unavoidable.

To

The Secretary
to the Government of H.H. The Maharaja of Mysore,
General Department, B A N G A L O R E.

Sir,

On the advice of the Dewan at a personal interview, I beg to represent the following in connection with my appointment as Asst. Surgeon in the Mysore Medical Service for favour of consideration.

1. I beg to mention the facts chronologically as follows:-

September 1914. I submitted an application for a post in Mysore Medical Service;

2nd January 15. Government offered a 3rd Class Assistant Surgency on Rs.200/-.;

12th January 15. Reminder asking me for a reply;

31st January 15. Declined offer with thanks and reasons;

16th February 15. Government offered a II Class Assistant Surgency on Rs.250/-;

8th March 1915. Accepted offer with thanks if what I understood, Viz., that my conditions of work, pay and future prospects would in no way whatever be inferior to those of other Assistant Surgeons, was correct;

March 1915. I interviewed members of the Madras Executive Council and the Surgeon General and with great difficulty obtained their consent to relieve me. My application was strongly recommended by the Surgeon General. At this stage my being relieved was a certainty;

24th April 15. Asked the Senior Surgeon the probable District and Hospital I would be posted to;

28th April 15. Was replied that I would be posted to the Public Health Institute;

31st May 15. Represented to the Mysore Government that all this time I understood that I will be given hospital work and that in every one of their letters the offers -as ordinarily understood anywhere- would mean nothing else, that I had at various interviews distinctly told the Senior Surgeon and also once the Dewan that I did not want any Public Health Work but wished for Medical Work preferably Opthalmic or General Surgical Work. I also submitted that though I had the D.P.H. all my special training and subsequent practice was in Opthalmology and it was only the desire to work among our people as a Surgeon that induced me to apply for a post and further requested that they would grant me Hospital Work as their first offer meant;

23rd July 15. Government replied that I would first be posted to the Institute and later my being put to a Hospital would be considered;

24th July 15. Wrote a letter to the Dewan detailing all the points and mentioning that I was told about this posting to the Public Health Work when it was too late for me to withdraw my application from the Madras Government with any self-respect;

3rd August 15. Was replied that my request would be considered after sometime in the Institute;

August 1915.

August 1915. I submitted to the Government that I could not understand what they exactly meant, that I had from my 1st application in every one of my letters clearly stated that my ambition to work in Mysore was to be in touch with people and utilise my knowledge of treatment in Special subjects - and not to get any increased income -as in fact- I was a loser in my total income by going here. I also submitted that as it was too late for me to mend matters in the Madras Government ~~that~~ I fully trusted to the usual high sense of Justice and fairness of our Government, who I hope would give me a - chance for my ambitions which their kindoffer of appointment meant.

2. I beg to submit that I went to England at my own expense and after great trouble and much expenditure qualified myself in the Special Subject of Opthalmology by studying and working in - the best Universities and Hospitals and obtaining the highest - qualification by examination in that speciality. Also I worked as a Clinical Assistant in one of the leading London Ear and - Throat Hospital for sometime. Most of my expenditure, time and trouble was on obtaining knowledge of and diplomas in these - subjects andnot in obtaining the D.P.H. for which a few months - work along with my other studies was enough. When I submit - that I also obtained the Surgical qualification of M.R.C.S. - during my stay of 1¾ years, it can be easily seen what little - part the study of Public Health took in my studies in England. So I beg that the ~~position~~ possession of a D.P.H. be not considered a disqualification for Opthalmic and General Surgical Work which I - love, and to acquire which I have taken great trouble incurring debts.

3. I further submit that repeatedly I have mentioned from the very beginning that my total income in Mysore could not be - hoped to be as great as it was in my service in Madras, but that the chief thing which induces me to come here is the chance of -

being

being medically serviceable to our people in my special subject. Now if I am to be stuck to a Chemical Laboratory to a work which I cannot honestly say I have any great love or enthusiasm, I would be missing the only thing for which I was earnestly hoping for all these days. Moreover if I had to do Chemical Work I feel it would not make much difference to me whether I work in our Province or - outside of it, except probably I would be able to get better paid - posts in that work outside.

4. Finally I beg to mention that all the Government Orders to me would commonly be interpreted as offering a Hospital appointment and the Public Health Work that was offered after I had no - choice was a very disappointing surprise.

5. Considering the above representation and also the fact that for the last 13 months I have been in chief charge of a - Hospital of 50 beds and have done fairly large amount of major - Surgical and Opthalmic Work, — I beg that the Government be pleased to order me to Surgical or even general professional work and not - ask me to revise all my life's ambition and previous work and begin to train anew as a Chemist.

6. I have written this in detail so that the Government be - pleased to make suitable postings now only as I feel that it would probably be more difficult for me to get a change in the near future and as I do not wish to forget all my practical knowledge.

Thanking His Highness' Government for their Gracious - offer and hoping that they will be pleased to grant this my prayer,

I beg to remain,

Sir,

Your most obedient servant,

B. Krishna
